Enhancements and revisions in Adagio BankRec 6.8B (2004.05.10)

- ◆ Initial release of Adagio BankRec.

Installing

To install Adagio BankRec from the Adagio Product CD, you need the serial number and install code from the Product Label that came with your CD.

To install Adagio BankRec, insert the CD in the drive. If the install program does not start automatically, run ADAGIO.EXE from the root of the CD. Once the install program is running you can click the Help button for detailed instructions. If Adagio BankRec is installed on a network, you must also do a workstation install for each workstation running Adagio BankRec. Refer to the manual or "Installing on a network" in the Readme help for instructions.

Note 1: Adagio Payables must be version 6.8B (2004.05.06) or later. Adagio Receivables must be version 6.8B (2004.05.07) or later.

Note2: Adagio BankRec not support multi-currency. Adagio BankRec is not compatible with Adagio Time&Billing.

Upgrading to Adagio BankRec from PereSoft® Cashbook

Adagio BankRec will convert a Cashbook database. Refer the manual or product Help for instructions.
