## Enhancements and revisions in Adagio SalesAnalysis 6.8B (2003.02.24)

- ◆ Initial Release of Adagio SalesAnalysis.

## Installing

To install Adagio SalesAnalysis from the Adagio Product CD you need the serial number and install code from the Product Label that came with your CD.

To install Adagio SalesAnalysis, run ADAGIO.EXE from the root of the CD. Once the install program is running you can click the Help button for detailed instructions. If Adagio Ledger is installed on a network, you must also do a workstation install for each workstation running Adagio Ledger. Refer to the manual or help for workstation install instructions. Or, you may be able to run the All Workstation Install instead (\SOFTRAK\ALLWKST\ALLWKST.EXE. Refer to "Installing on a network" in the Readme help for instructions.

## Upgrading to this Version from Softrak Sales Analysis for DOS

There are no special instructions for upgrading from Softrak Sales Analysis for DOS 6.5A to Adagio SalesAnalysis. A database conversion is not required. Adagio SalesAnalysis can be used on the same database, at the same time, as Softrak Sales Analysis for DOS. Refer to the Important Notes section in the Readme help for further details.

Note: Adagio SalesAnalysis does not support multi-currency.
